

The Ghost Squadron Presents

Binham 2025.

The Ghost Squadron and Taylor family are very pleased to be able to announce that there will be a Binham Flying camp in 2025.

Due to other changes in the flying calendar the dates for 2024 will be the **19th to 27th August** inclusive. As with previous events places will be strictly limited to the first 25 caravans, tents or motorhomes.

The format of the event will be exactly the same as previous years with the emphasis on laid back social flying. Please note that turbine models will not be acceptable due to the standing crops in adjoining fields.

Fees for 2025 will remain as last year at £20 per night. This still represents great value for a campsite in the height of the holiday season, not to mention a superb flying site on your doorstep.

If you would like to reserve a place please complete application forms and post or email it back to John. Payment of the fee for the week will be collected (cash please) on your arrival. Preference will be given to those who will attend for the week in order to maximise the use of the site.

Applications will be taken on a "first come first served" basis on return of this application form. If your circumstances change after submitting the application form and you are no longer able to attend please inform John so your name can be taken off the list and your place offered to someone else. We are taking quite a risk in not taking deposits so anyone submitting an application and then not attending and not notifying John will get a black mark and may not be invited to further events.

For those who have a long way to travel and to avoid people having to make a very early start to arrive by the usual entry time of 9.00am, access to the site will be available from 5.00pm on Tuesday 19th July. **Please do not arrive before this time.**

Please complete all of the details below and return this form to reserve your place, either by post to :-
